Dr. Bruce Piasecki and Dr. John Mogge Join SC&A's Board of Directors

FOR IMMEDIATE RELEASE

ARLINGTON, VA, October 28, 2022 — SC&A, Inc. is pleased to announce that Dr. Bruce Piasecki and Dr. John Mogge have joined SC&A's Board of Directors.

Dr. Piasecki is the founder and chair of AHC Group Inc., a management consulting firm specializing in growth, energy, environment, and sustainability. He has chaired the working group for reinventing the U.S. Environmental Protection Agency (EPA), served on EPA's Executive Advisory Council, and was appointed to the White House Council on Environmental Technology.

Dr. Mogge is currently the Senior Consultant at JWMogge Consulting LLC and is serving a 3-year term with the AHC Group. He was the Global Environmental Market Executive and National Governments Practice Director at CH2M and is a Past President and Chairman of the Board of the Society of American Military Engineers.

Dr. Piasecki explains, “over its last 40 years in business, SC&A had a distinguished record of federal service and technical expertise. I am thrilled to be joining this Board as the firm, and the industry, will face the largest incentives to respond to the complexities and urgencies within the Inflation Reduction Act with good science and sensible programs.”

Dr. Mogge added, “SC&A has a reputation of excellence in all they do, and I am honored to join their board and help in their growth and journey of excellence.”

“We are excited about adding two such prominent management consulting professionals to the Board as SC&A expands our service offerings in air quality/climate change, clean energy, environmental management (including ESG), radiation sciences, remediation, and resiliency and emergency management,” affirmed Gregory Beronja, SC&A Chief Executive Officer.
